

You're only
as strong as
your network.

Let us Help
Build Yours.

"The group projects helped me build a high-quality network, and I've been able to immediately implement almost every course into my work. The Executive MBA even helped me land a promotion to director."

Bradley Hof

Executive MBA Online, Class of 2019

An MBA with an Executive Edge

For the savvy entrepreneur, operations manager, or vice president, WSU's Executive MBA Online transcends business basics so you can truly excel as a high-powered executive.

You've already climbed the corporate ladder. Where do you go from here? At WSU, we believe there's no limit to your growth. Our program can help you enhance your global business acumen and bring immediate value to your current role in as few as 16 months.

Managers, directors, and CEOs choose WSU. Here's why:

Fully online program designed for busy working professionals

Experiential capstone project that mirrors current leadership perspectives

Optional annual EMBA Leadership Conference allows for networking with other EMBA students and fellow Cougs

World-class faculty of experienced business leaders

Personalized support and mentorship from enrollment to graduation

Optional international field study for learning and career growth

Access to professional coaching through our partnership with the International Coach Federation Washington chapter

To be the best, you need to learn from the best.

Collaborate with some of the brightest minds in business, all representing today's diverse workforce:

Chief Executives

Marketing Directors

Information Systems Managers

Financial Managers

Sales Directors

Vice Presidents

Human Resource Managers

Healthcare Administrators and Executives

Boost your
business
intelligence.
