

FAQ's

Internship Program

Q: Is this program for me?

A: If you are a dedicated, eager, motivated learner, looking to learn about the senior housing and hospitality industry from the inside out, our paid internship program could be the perfect fit for you. Many of our interns are students fulfilling their course requirements while others are new to the industry and interested in starting a new career path. So, whether you are a current Leisure Care employee or are hearing about us for the first time, the Internship Program may help you reach your goals.

Q: What will I get out of this program?

A: Each internship is specifically tailored to help you meet your career goals. You will have the opportunity to select which areas of senior housing and hospitality you're interested in, including Administration, Sales & Marketing, Health & Wellness, Restaurant Management, Guest Services, and more. There's no better way to learn about the industry than getting a hands-on, immersive experience at one of our communities.

If you've already been working in senior housing and are ready to take that next step in your career development, you should consider applying for an internship position at our home office in downtown Seattle, Washington to explore the unique and challenging world of operations.

Q: What is the program timeline / how much time will this take?

A: Most of our internships last about 12 weeks (or approximately 400 hours) but we understand that our program needs to be flexible in order to accommodate your individual needs. We will work with you to put together a personalized schedule that covers all of your areas of interest in the amount of time that works best for you and any academic requirements you may need to satisfy.

Q: How do I get started?

A: Our internship application can be found on our website: www.leisurecare.com/internships. You will find a description of the program at the top of the webpage, along with a bright green bar underneath reading "Request Your Internship Application". Click on that green bar, fill in your email address, then download the application. You will then send your completed application and current resume to DiscoverLC@leisurecare.com.
